NELSON DISTRICTS WOODTURNING CLUB

El Presidente

Well the year has come around fast, the AGM is upon us, time to vote for new people or keep the same old faces, there is room for new people to join the committee. A new face or faces will be very welcome. Trophies to be dished out, some may be surprised, some not but all well deserved.

There was a working bee this month with plenty done both inside and out, the lathe is now up and running at some cost to the club. It was not done as cheaply as we were led to believe but this is where we need to be very careful on lathe use and also of tools, let's hope this is the last time this lathe has any issues. The back fence is no longer open to the general public and has been repaired for the time being, hopefully it will last for another 5 years. Thanks to all those who turned up.

I hope everyone has been feverously turning more than me at any rate. I have a few things on the go, might have something for show and tell so I hope the tables will be full with many grand pieces for viewing and to be judged.

We have recently had made some business cards for the club if you want to take a few at the AGM then please feel free to do so they are for distribution to anyone or place who may be interested in the club.

There will be a you tube video at the AGM yet to be decided as to what we will be watching but I'm sure it will be a goody we can vote on it on the night

That's all from me see you at the AGM.

I've often been called a "bodger", now I know it's true!

See the notice in this pic (user of a pole lathe is called a bodger!) Caught this in the Lakes District Regatta open day. Gotta keep yer hand (and foot!) in eh! Cheers Colin

CLUB FEES at \$60. ARE NOW DUE
Payable to John West (Treasurer) or direct debit.
Nelson Districts Woodturning Club **03 0703 0395627 00**
Use your name as the reference

There is plenty of wood for turning inside and outside of the club rooms if you do take some then a **small donation** to the club would be appreciated as time is spent by other club members in getting it cut to size etc.
