NELSON DISTRICTS WOODTURNING CLUB

El Presidente

Hi all,

Hope everyone is going well and turning a storm, that would be more than me as I'm in the middle of painting a storm in the new build!

If anyone has some photos of their work that would be good, if you could send them to me as we require some to go on the board surround outside the building: up to three would be sufficient thank you.

It would be good if we could get someone to have a small advertising sign written for display in certain places at times, to advertise the club to help recruit new members.

Hopefully we may be able visit Niki Marshall's shed in the near future - all yet to be confirmed.! Watch this space.

It has been mooted amongst some committee members that the clubrooms need a bit of tlc in the way of painting, this will go ahead early next year. After my painting storm I will be able to supply rollers, brushes and trays if anyone can offer other items that would be appreciated: white paint??

The Christmas do this year is on the 24th November at the Prince Albert. If you were there last year, the menu is the same and was very good. 6pm for early drinks and chat then to sit down for a Christmas meal 6.30ish.

The demo on Tuesday is a square edge bowl by yours personally, so, see you there,
cheers Stuart.
