NELSON DISTRICTS WOODTURNING CLUB

El Presidente

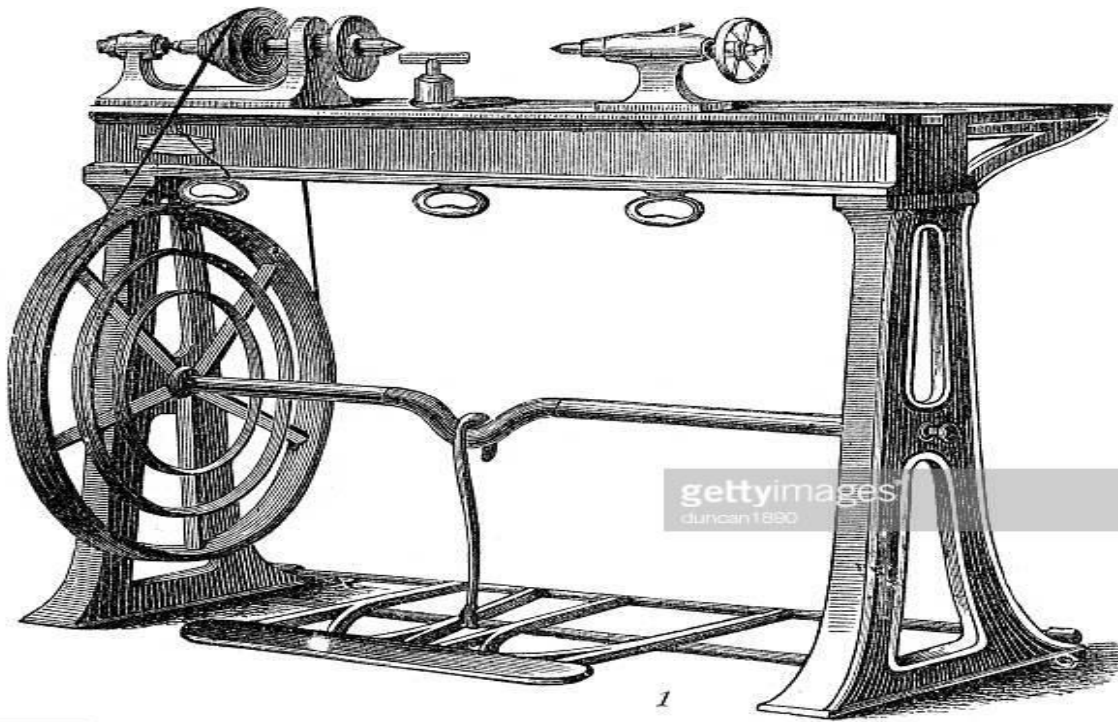

Hi all, winter is almost over, we can now look forward to longer days and a warmer climate. And hopefully many a good day's/evening's turning. The AGM went well, there were a few surprised winners of various trophies.

This year's xmas dinner will be on 26th November this year at the Prince Albert which we have used for the last few years, its fun with a very enjoyable meal. So come along and have a few laughs.

The open day for next year will be the 2nd May more to follow.

Obviously as this year slowly draws to a close we are looking for demo's for next year there have been a couple muted so if anyone wants to see something let anyone know at the demo or on club nights, this is not an easy task as it requires club members to step up to the plate and give a demo, if you feel you could do a demo with a twist we would all love to see it.

It was suggested at the committee meeting that it would be nice during the spring and summer months that we visit other members sheds to see what they have and what may inspire them to a project. If you feel you could open your door for a couple of hours at the weekend or an evening during the week then let me or another committee member know, I'm prepared to open my doors, it would have to be a weekend as I'm out of town should anyone want to make the trip.

184316943

The mural for outside the building will definitely happen this just needs to be approved by some department within the council, a piece of plywood would be used for this then attached to the building underneath the sign, along with some low growing plants in the gap created.

Well all from me, see you Tuesday

CLUB FEES at \$60. ARE NOW DUE

Payable to John West (Treasure) or direct debit.

Nelson Districts Woodturning Club **03 0703 0395627 00**

Use your name as the reference

There is plenty of wood for turning inside and outside of the club rooms if you do take some then a **small donation** to the club would be appreciated as time is spent by other club members in getting it cut to size etc

Visit to Trends Timbers In Sydney

I recently visited Sydney and went to a specialised timber merchant in Sydney . They have a huge selection of different timbers to select from. It was very well set out with blanks of different sizes on display on book shelf's. May it so easy to go through with all pieces priced. They are not the cheapest place to buy timber buy what a range. Dave Paine

Purple Heart

NSW Rosewood - Tasmanian Blackwood
English Beech

African Zebrawood

Brazil Bloodwood

Web address <http://www.trendtimbers.com.au/>

Also a range of veneers adds the perfect touch of class to cabinet making, small box projects, furniture and marquetry.
